TOPSTAR XL™

TOPSTAR XL™ TOURNAMENT OUTDOOR

Item # 7172-000 blue/silver

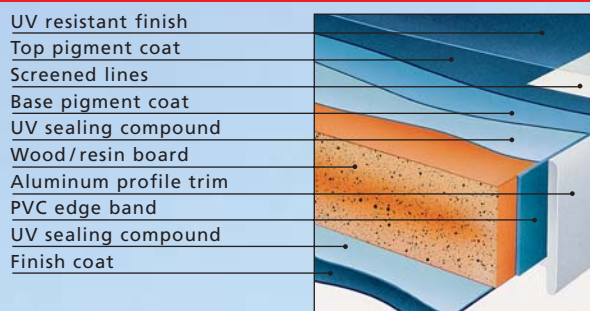

- Absolutely weatherproof aluminum sealed composite non-glare tournament top.
- Dimpled aluminum underside controls expansion / contraction due to weather changes.
- Unique center guide folding mechanism - Position control tracking.
- Certified true tournament bounce for unmatched quality and performance.
- DLS™: Dual Lock Safety mechanism prevents accidental open or close.
- Safety-Fold™ for safe, compact storage and transport.
- Professional multi-process finished playing surface-tournament lines are smooth and even with play field. Unique finish top coat to resist fading and aid in scratch resistance.
- All outer edges are protected with 1 1/2" channeled aluminum trim and radius bend corners. Special design cradles table top to resist warping and to protect table edges.
- International tournament size of 9'x 5'.
- True play-back feature for warm-up or solo play. No wide gap for ball to drop into.
- Chassis- uniquely designed elliptical steel tubing legs with special synthetic powder coating to guard against corrosion and surface scratches; center transport frame of powder-coated heavy gauge steel tubing.
- Deluxe net and durable resin net-posts set are designed to remain in play position at all times - even when folded for storage. Net and post include height and tension adjustment.
- Folds for storage to a compact and safe 25" wide x 61" high x 72" size.
- 5 1/2" dual wheel casters. Two with integrated locking system.
- Packaged for easy handling and simplified assembly. All tools included.
- All brackets and leg units pre-assembled on table halves. Easy step by step instructions on attaching transport system and net system.
- THREE year limited RESIDENTIAL warranty.

TOPSTAR XL™ TOURNAMENT INDOOR

Item # 7132-400 green/silver # 7132-000 blue/silver
